"Oh, but one more thing. You say it is windy there. I shall need a good supply of rope, then, and perhaps you can spare a man to go with me. A rope is not much good if there is a person only on one end. If I have someone with me, I can hold him if he blows off and he can do the same for me." Amos turned to the sailors. "What about that man there? He has a rope and is well muffled against the wind." VI. recognized that the room was chilling. It turned out that they were safe from that imagined danger. There were spores in the air now, but they were not dangerous to the colonists. The plants attacked only certain kinds of plastics, and then only in certain stages of their lives. Since they were still changing, it bore watching, but the airlocks and suits were secure. The crew was enjoying the luxury of sleeping without their suits. She nodded.
