He mailed the letter, with the agent's address covered by one of his labels on which he had typed a fictitious address. The label detached itself in transit; the letter was delivered. When the agent replied, Smith was watching and read the letter as a secretary typed it. The agent followed his instruction to mail his reply in an envelope without return address. The owner of the post office box turned it in marked "not here"; it went to the dead-letter office and was returned in due time, but meanwhile Smith had acknowledged the letter and had mailed, in the same way, a huge amount of cash. In subsequent letters he instructed the agent to take bids for components, plans for which he enclosed, from electronics manufacturers, for plastic casings from another, and for assembly and shipping from still another company. Through a second commission agent in New York, to whom he wrote hi the same way, he contracted for ten thousand copies of an instruction booklet in four colors.. "Do you mind my giving you some honest advice, Barry?": "The second thing I have to announce tonight is that such a commitment has now been made. As I mentioned a moment ago, this subject has been under study for a considerable period of time. I can now inform you that, three days ago, the President of the United States and the Chairman of the Eastern Co-Prosperty Sphere signed an agreement for the project which I have briefly outlined to be' pursued on a joint basis, effective immediately.
