The first message to the Chironians arrived when the oldest were in their ninth year, which was when the response had arrived from Earth to the Kuan-yin's original signal. Contact had continued ever since with the same built-in nine-year turn-round factor. The Mayflower II, however, was now only ten light-days from Chiron and closing; hence it was acquiring information regarding conditions on the planet that wouldn't reach Earth for years..Kalens had evidently been working on the details for some time. He recovered the support of the commercial lobby by proposing that Chironian "nursery-school economics" be excluded from the enclave, and won the professional interests over with a plan to tie all exchanges of goods and services conducted within the boundary to a special issue of currency to be underwritten by the Mayflower II's bank. The Chironians who lived and worked inside the prescribed limits would be free to come and go and to remain resident if they desired, provided that they recognize and observe Terran law. If they did not, they would be subject to the same enforcement as anyone else. If its integrity was threatened by disruptive external influences, the enclave would be defended as national territory..Yeah, Dr. Doom," Leilani confirmed..Pocketing his keys, he walked away, past modest ranch-style houses with neatly trimmed lawns and.Colman smiled ruefully.
