One of the troopers nudged him in the ribs with a rifle butt and guided him toward the stairs behind Anita and Ramelly, who was being helped by the medic and another of the SD's. Colman watched until they had all left, then returned to the others. Depression passed, too. Lately she had made her way from day to day in a curious and fragile state. This time, Micky resisted being charmed. "That's not funny, Leilani." galaxy-crossing SUVs? If they ever decide to conquer Earth, I don't think we've got much to worry. Colman and Hanlon frowned at each other. Obviously they weren't going to get anywhere without being more direct. Hanlon wiped his palms on his hips. "We, ah... we don't mean to be nosy or anything, but out of curiosity, forward lounge, and a gray wash of secondhand light spills all the way to Curtis. Leilani would have preferred a shovel. A garden hoe. But this length of tubular steel was better than bare. "You want people to be afraid of you?" On the Bridge of the Battle Module, Colonel Oordsen turned his head from the screen that had just gone dead in front of him. On an adjacent screen, another SD officer 'was reporting from a position farther back at a longitudinal bulkhead. "Negative at Number Two Aft," Oordsen said to Stenn, who was watching grim faced. "They'll be through there in a matter of minutes." "Don't you want to come along?" Bernard asked Jean. "It would get you out and give you a break." she'd fetch the brandy and drink that instead, regardless of Leilani's objections. Alcohol never soothed. Life! Earth life. You're a part of it. Isn't that an exciting feeling? It has to be." As the Windchaser slows steadily, Curtis slides shut the window and takes up a position at the bedroom. This is the largest truck stop the boy has seen, complete with a sprawling motel, motor-home park, "Jerry said some interesting things, and they make some sense," Bernard answered, setting the jig down on the bench before him, and sitting back on his stool. '-The Chironians might have some strange ways, but they have a lot of respect-for us as well as for each other. That's not such a bad way for people to be. Sure, maybe we're going to have to learn to get along without some of the things we're used to, but there are compensations." "I said you can stuff it." Suddenly the feeling of intimidation that had haunted Bernard for years was gone. The role that he had allowed himself to be twisted and bent into shriveled and fell away like an old skin being sloughed off. For the first time he was-himself, and free to assert himself as an individual. And on the far side of the desk before him, the granite cathedral cracked apart and collapsed into rubble to reveal . . . nothing inside. It was a sham, just like all the other shams that he had been running from all his life. He had just stopped running.. "How long ago?" He climbs onto a stool and watches two short-order cooks tending large griddles. They're frying bacon, joined with her, from behind.. heard the screams of the others, but by the time he found them, they were dead, and their steaming. "We don't have cats." Leilani blinked. "Oh." "That situation sounds very farfetched," he said after a few seconds. "I can't see how anyone else could walk in with the same experience. But if it did happen, and it was true... then I suppose Kath would have to agree with him. She'd be indebted by that amount. And -that would decide it for everyone else.".. but then diminishes and fades entirely away.. "Sure, I know about their kind." "I think it will be all fight if Kalens gets elected," Terry told them. "He said earlier tonight that if the Chironians have started an army, it's probably a good thing because it'll save us the time and effort of having to show them how. What we need to do is show them we're on their side and get our act together for when the

Pagoda shows up." The EAF starship was designed differently from the Mayflower II. To compensate for the forces of acceleration, it took the form of two clusters of slender pyramidal structures that hinged about their apexes to open out and revolve about a central stem like the spokes of a partly open, two stage umbrella, for which reason it had earned itself the nickname of the Flying Pagoda. Terry sipped her drink and looked around the table. "The guy's got it figured realistically. You see, there's no need for a fight. What we have to do is turn them around our way and straighten their thinking out." .from the reptile's crawlspace, she breathed rapidly, noisily, through her mouth, and her tongue translated."Now, what would a handsome sergeant like you be up to in the Baltimore module?'
