That's of mcdougal can influence your readers out of each theory amongst positive results. And that ebook is acutely had to read through detail with detail, it can be perfect for you and your entire life. Presently, she came to me again and I said to her, "Here is thy money and I have gained [with it] other thousand dinars." Quoth she, "Keep it by thee and take these other thousand dinars. As soon as I have departed from thee, go thou to Er Rauzeh (183) and build there a goodly pavilion, and when the building thereof is accomplished, give me to know thereof." So saying, she left me and went away. As soon as she was gone, I betook myself to Er Rauzeh and addressed myself to the building of the pavilion, and when it was finished, I furnished it with the goodliest of furniture and sent to the lady to tell her that I had made an end of its building; whereupon she sent back to me, saying, "Let him meet me to-morrow at daybreak at the Zuweyleh gate and bring with him a good ass." So I got me an ass and betaking myself to the Zuweyleh gate, at the appointed time, found there a young man on horse- back, awaiting her, even as I awaited her..Ass, the Sharpers, the Money-Changer and the, ii. 41..? ? ? ? ? b. The Second Voyage of Sindbad the Sailor ccliii.? ? ? ? ? p. The Foxes and the Wolf dccccxi.58. The Lovers of the Benou Udhreh (232) dclxvi.? ? ? ? ? To me your rigour love-delight, your distance nearness is; Ay, your injustice equity, and eke your wrath consent..When it was eventide, the king caused avoid his sitting chamber and summoned the vizier, who presented himself and making his obeisance to the king, kissed the earth before him and bespoke him as follows:.Now the merchant's wife aforesaid, who was the nurse of the king's daughter, was watching him from a window, unknown of him, and [when she heard his verses], she knew that there hung some rare story by him; so she went in to him and said, "Peace be on thee, O afflicted one, who acquaintest not physician with thy case! Verily, thou exposest thyself unto grievous peril! I conjure thee by the virtue of Him who hath afflicted thee and stricken thee with the constraint of love-liking, that thou acquaint me with thine affair and discover to me the truth of thy secret; for that indeed I have heard from thee verses that trouble the wit and dissolve the body." So he acquainted her with his case and enjoined her to secrecy, whereof she consented unto him, saying, "What shall be the recompense of whoso goeth with thy letter and bringeth thee an answer thereto?" He bowed his head for shamefastness before her [and was silent]; and she said to him, "Raise thy head and give me thy letter." So he gave her the letter and she took it and carrying it to the princess, said to her, "Read this letter and give me the answer thereto..".When Belekhsa had made an end of her verses, all present were moved to delight and El Abbas said to her, "Well done, O damsel!" Then he bade the fifth damsel come forward and sing. Now she was from the land of Syria and her name was Rihaneh; she was surpassing of voice and when she appeared in an assembly, all eyes were fixed upon her. So she came forward and taking the rebeck (for that she was used to play upon [all manner] instruments) improvised and sang the following verses:.He returned them the most gracious of answers and bade carry the Magian forth of the town and set him on a high scaffold that had been builded for him there; and he said to the folk, 'Behold, I will torture him with all kinds of fashions of torment.' Then he fell to telling them that which he had wrought of knavery with the daughter of his father's brother and what he had caused betide her of severance between her and her husband and how he had required her of herself, but she had sought refuge against him with God (to whom belong might and majesty) and chose rather humiliation than yield to his wishes, notwithstanding stress of torment; neither recked she aught of that which he lavished to her of wealth and raiment and jewels..So, when it was the foredawn hour, she tied his beard and spreading a veil over him, cried out, whereupon the people of the quarter flocked to her, men and women. Presently, up came El Merouzi, for the division of the money, and hearing the crying [of the mourners], said, 'What is to do?' Quoth they, 'Thy brother is dead;' and he said in himself, 'The accursed fellow putteth a cheat on me, so he may get all the money for himself, but I will do with him what shall soon bring him to life again.' Then he rent the bosom of his gown and uncovered his head, weeping and saying, 'Alas, my brother! Alas, my chief! Alas, my lord!' And he went in to the men, who rose and condoled with him. Then he accosted Er Razi's wife and said to her, 'How came his death about?' 'I know not,' answered she, 'except that, when I arose in the morning, I found him dead.' Moreover, he questioned her of the money and good that was with her, but she said, 'I have no knowledge of this and no tidings.'.Twelfth Officer's Story, The, ii. 179..? ? ? ? ? h. The Drop of Honey dccccxxvi.As stated In the Prefatory Note to my "Book of the Thousand Nights and One Night," four printed Editions (of which three are more or less complete) exist of the Arabic text of the original work, namely those of Calcutta (1839-42), Boulac (Cairo), Breslau (Tunis) and Calcutta (1814-18). The first two are, for purposes of tabulation, practically identical, one whole story only, (222) of those that occur in the Calcutta (1839-42) Edition, (which is the most complete of all,) being omitted from that of Boulac; and I have, therefore, given but one Table of Contents for these two Editions. The Breslau Edition, though differing widely from those of Calcutta (1839-42) and Boulac in contents, resembles them in containing the full number (a thousand and one) of Nights, whilst that of Calcutta (1814-18) is but a fragment, comprising only the first two hundred Nights and the Voyages of Sindbad, as a separate Tale..When the king had read this letter, he rejoiced with an exceeding joy and bestowed on me great store of presents and entreated me with the utmost honour. Some days after this, I sought of him leave to depart, but he granted it not to me save after much pressing. So I took leave of him and shipped with divers merchants and others, intending for my own country and having no desire for travel or traffic. We sailed on, without ceasing, till we had passed many islands; but, one day, as we fared on over a certain tract of the sea, there came forth upon us a multitude of boats full of men like devils, clad in chain-mail and armed with swords and daggers and bows and arrows, and surrounded us on every side. They entreated us after the cruellest fashion, smiting and wounding and slaying those who made head against them, and taking the ship, with the crew and all that were therein, carried us to an island, where they sold us all for a low price. A rich man bought me and taking me into his house, gave me to eat and drink and clothed me and entreated me kindly, till my heart was comforted and I was somewhat restored..Then said she to him, "O my son, was there any one with thee yesternight?" And he bethought himself and said, "Yes; one lay the night with me and I acquainted him with my case and told him my story. Doubtless, he was from the Devil, and I, O my mother, even as thou sayst truly, am Aboulhusn el Khelia." "O my son," rejoined she, "rejoice in tidings of all good, for yesterday's record is that there came the Vivier Jaafer the Barmecide [and his company] and beat the sheikhs of the

mosque and the Imam, each four hundred lashes; after which they paraded them about the city, making proclamation before them and saying, 'This is the reward and the least of the reward of whoso lacketh of goodwill to his neighbours and troubleth on them their lives!' and banished them from Baghdad. Moreover, the Khalif sent me a hundred dinars and sent to salute me." Whereupon Aboulhusn cried out and said to her, "O old woman of ill-omen, wilt thou contradict me and tell me that I am not the Commander of the Faithful? It was I who commanded Jaafer the Barmecide to beat the sheikhs and parade them about the city and make proclamation before them and who sent thee the hundred dinars and sent to salute thee, and I, O beldam of ill-luck, am in very deed the Commander of the Faithful, and thou art a liar, who would make me out a dotard." .12. The Waterfowl and the Tortoise cxlviii. When the king heard this, his wrath subsided and he said, "Carry him back to the prison till the morrow, so we may look into his affair." .When the troops entered Baghdad, each of them alighted in his pavilion, whilst El Abbas encamped apart in a place near the Tigris and commanded to slaughter for the troops, each day, that which should suffice them of oxen and sheep and bake them bread and spread the tables. So the folk ceased not to come to him and eat of his banquet. Moreover, all the people of the country came to him with presents and rarities and he requited them many times the like of their gifts, so that the lands were filled with his tidings and the report of him was bruited abroad among the folk of the deserts and the cities..? ? ? ? My friends have not accustomed me to rigour; for, of old, When I forsook them, they to seek accord did not disdain..There was once, of old days and in bygone ages and times, in the city of Baghdad, the Abode of Peace, a king mighty of estate, lord of understanding and beneficence and liberality and generosity, and he was strong of sultanate and endowed with might and majesty and magnificence. His name was Ins ben Cais ben Rebiya es Sheibani, (47) and when he took horse, there rode unto him [warriors] from the farthest parts of the two Iraks. (48) God the Most High decreed that he should take to wife a woman hight Affeh, daughter of Ased es Sundusi, who was endowed with beauty and grace and brightness and perfection and justness of shape and symmetry; her face was like unto the new moon and she had eyes as they were gazelle's eyes and an aquiline nose like the crescent moon. She had learned horsemanship and the use of arms and had thoroughly studied the sciences of the Arabs; moreover, she had gotten by heart all the dragomanish (49) tongues and indeed she was a ravishment to mankind..After a few days, his brother returned and finding him healed of his sickness, said to him, 'Tell me, O my brother, what was the cause of thy sickness and thy pallor, and what is the cause of the return of health to thee and of rosiness to thy face after this?' So he acquainted him with the whole case and this was grievous to him; but they concealed their affair and agreed to leave the kingship and fare forth pilgrim-wise, wandering at a venture, for they deemed that there had befallen none the like of this which had befallen them. [So they went forth and wandered on at hazard] and as they journeyed, they saw by the way a woman imprisoned in seven chests, whereon were five locks, and sunken in the midst of the salt sea, under the guardianship of an Afrit; yet for all this that woman issued forth of the sea and opened those locks and coming forth of those chests, did what she would with the two brothers, after she had circumvented the Afrit..So Ishac returned to the slave-dealer and said to him, 'Harkye, Gaffer Said!' 'At thy service, O my lord,' answered the old man; and Ishac said, 'In the corridor is a cell and therein a damsel pale of colour. What is her price in money and how much dost thou ask for her?', Quoth the slave-dealer, 'She whom thou mentionest is called Tuhfet el Hemca.' (174) 'What is the meaning of El Hemca?' asked Ishac, and the old man replied, 'Her price hath been paid down an hundred times and she still saith, "Show me him who desireth to buy me;" and when I show her to him, she saith, "This fellow is not to my liking; he hath in him such and such a default." And in every one who would fain buy her she allegeth some default or other, so that none careth now to buy her and none seeketh her, for fear lest she discover some default in him.' Quoth Ishac, 'She seeketh presently to sell herself; so go thou to her and enquire of her and see her price and send her to the palace.' 'O my lord,' answered Said, 'her price is an hundred dinars, though, were she whole of this paleness that is upon her face, she would be worth a thousand; but folly and pallor have diminished her value; and behold, I will go to her and consult her of this.' So he betook himself to her, and said to her, 'Wilt thou be sold to Ishac ben Ibrahim el Mausili?' 'Yes,' answered she, and he said, 'Leave frowardness, (175) for to whom doth it happen to be in the house of Ishac the boon-companion?' (176).Officer's Story, The Tenth, ii. 172..When it was the eleventh day, the viziers betook them early in the morning to the king's gate and said to him, "O king, the folk are assembled from the king's gate to the gibbet, so they may see [the execution of] the king's commandment on the youth." So the king bade fetch the prisoner and they brought him; whereupon the viziers turned to him and said to him, "O vile of origin, doth any hope of life remain with thee and lookest thou still for deliverance after this day?" "O wicked viziers," answered he, "shall a man of understanding renounce hope in God the Most High? Indeed, howsoever a man be oppressed, there cometh to him deliverance from the midst of stress and life from the midst of death, [as is shown by the case of] the prisoner and how God delivered him." "What is his story?" asked the king; and the youth answered, saying, "O king, they tell that. Some misconception seems to exist as to the story of Seif dhoul Yezen, a fragment of which was translated by Dr. Habicht and included, with a number of tales from the Breslau Text, in the fourteenth Vol. of the extraordinary gallimaufry published by him in 1824-5 as a complete translation of the 1001 Nights (224) and it has, under the mistaken impression that this long but interesting Romance forms part of the Book of the Thousand Nights and One Night, been suggested that a complete translation of it should be included in the present publication. The Romance in question does not, however, in any way, belong to my original and forms no part of the Breslau Text, as will be at once apparent from an examination of the Table of Contents of the latter (see post, p. 261), by which all the Nights are accounted for. Dr. Habicht himself tells us, in his preface to the first Vol. of the Arabic Text, that he found the fragment (undivided into Nights) at the end of the fifth Volume of his MS., into which other detached tales, having no connection with the Nights, appear to have also found their way. This being the case, it is evident that the Romance of Seif dhoul Yezen in no way comes within the scope of the present work and would (apart from the fact that its length would far overpass my limits) be a manifestly improper addition to it. It is, however, possible that, should I come across a suitable text of the work, I may make it the subject of a separate publication; but this is, of course, a matter for future consideration..Now it was the enemy's wont, at every year's end, to bring forth their prisoners and cast them down from the top of the citadel to the bottom. So they brought them forth, at the end of the year, and cast them down, and Melik Shah with them. However, he fell upon the [other] men and the earth touched him not, for his term was [God]-guarded. Now those that were cast down there were slain and their bodies ceased not to lie there till the wild beasts ate them and the winds dispersed them. Melik Shah abode cast down in his place, aswoon, all that day and night, and when he recovered and found himself whole, he thanked God the Most High for his safety [and rising, fared on at a venture]. He gave not over walking, unknowing whither he went and feeding upon the leaves of the trees; and by day he hid himself whereas he might and fared on all his night at hazard; and thus he

did some days, till he came to an inhabited land and seeing folk there, accosted them and acquainted them with his case, giving them to know that he had been imprisoned in the fortress and that they had cast him down, but God the Most High had delivered him and brought him off alive..Accordingly, Shefikeh went out and repairing to the nurse's house, found her clad in apparel other (100) than that which she had been wont to wear aforetime. So she saluted her and said to her, "Whence hadst thou this dress, than which there is no goodlier?" "O Shefikeh," answered the nurse, "thou deemest that I have gotten (101) no good save of thy mistress; but, by Allah, had I endeavoured for her destruction, I had done [that which was my right], for that she did with me what thou knowest (102) and bade the eunuch beat me, without offence of me committed; wherefore do thou tell her that he, on whose behalf I bestirred myself with her, hath made me quit of her and her humours, for that he hath clad me in this habit and given me two hundred and fifty dinars and promised me the like thereof every year and charged me serve none of the folk."?STORY OF THE FULLER AND HIS WIFE..Meanwhile, the youth her master abode expecting her; but she returned not and his heart forbode him of the draught [of separation]; so he went forth at hazard, distraught and knowing not what he should do, and fell to strewing dust upon his head and crying out, 'The old woman hath taken her and gone away!' The boys followed him with stones and pelted him, saying, 'A madman! A madman!' Presently, the king's chamberlain, who was a man of age and worth, met him, and when he saw his youth, he forbade the boys and drove them away from him, after which he accosted him and questioned him of his case. So he told him how it was with him and the chamberlain said to him, 'Fear not: all shall yet be well with thee. I will deliver thy slave-girl for thee: so calm thy trouble.' And he went on to speak him fair and comfort him, till he put faith in his speech..? ? ? ? ? The hands of noble folk do tend me publicly; With waters clear and sweet my thirsting tongue they ply..? ? ? ? ? a. The First Calender's Story xxxix.? ? ? ? ? I am content, for him I love, to all abide; So, who will, let him blame, and who will, let him chide..Thief and the Woman, The, i. 278."There was once a king of the kings, whose name was Bekhtzeman, and he was a great eater and drinker and carouser. Now enemies of his made their appearance in certain parts of his realm and threatened him; and one of his friends said to him, 'O king, the enemy maketh for thee: be on thy guard against him.' Quoth Bekhtzeman, 'I reckon not of him, for that I have arms and wealth and men and am not afraid of aught.' Then said his friends to him, 'Seek aid of God, O king, for He will help thee more than thy wealth and thine arms and thy men.' But he paid no heed to the speech of his loyal counsellors, and presently the enemy came upon him and waged war upon him and got the victory over him and his trust in other than God the Most High profited him nought. So he fled from before him and seeking one of the kings, said to him, 'I come to thee and lay hold upon thy skirts and take refuge with thee, so thou mayst help me against mine enemy.'.Accordingly, the trooper bought him a house near at hand and made therein an underground passage communicating with his mistress's house. When he had accomplished his affair, the wife bespoke her husband as her lover had lessoned her and he went out to go to the trooper's house, but turned back by the way, whereupon quoth she to him, 'By Allah, go forthright, for that my sister asketh of thee.' So the dolt of a fuller went out and made for the trooper's house, whilst his wife forewent him thither by the secret passage, and going up, sat down beside her lover. Presently, the fuller entered and saluted the trooper and his [supposed] wife and was confounded at the coincidence of the case. (230) Then doubt betided him and he returned in haste to his dwelling; but she forewent him by the underground passage to her chamber and donning her wonted clothes, sat [waiting] for him and said to him, 'Did I not bid thee go to my sister and salute her husband and make friends with them?' Quoth he, 'I did this, but I misdoubted of my affair, when I saw his wife.' And she said, 'Did I not tell thee that she resembleth me and I her, and there is nought to distinguish between us but our clothes? Go back to her.'
